BEACH SAFETY

- Always wear a life jacket and swim with an adult nearby

- Select beaches with a lifeguard on duty

- Drink water to stay hydrated

- Use sunscreen, sunglasses, hats, and beach umbrellas to protect you from the sun

- Wear water shoes to protect your feet from the hot sand and help prevent slips
FIRE SAFETY

- Ensure your home has fire extinguishers, smoke detectors, and escape ladders

- Check smoke detectors once a month and replace batteries once a year

- Practice family fire drills and have two escape routes from each room
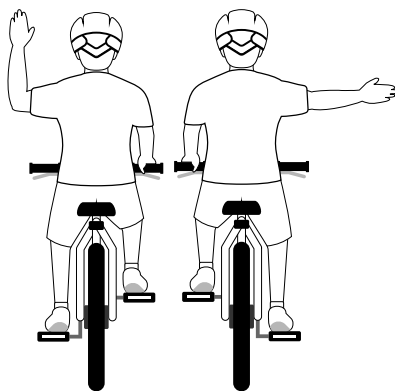

- Plan a family meeting spot outside

BIKE SAFETY
- Wear a helmet and fasten the straps to ensure it fits snugly

- Avoid items that could get caught in the bike chain, such as loose pant legs, backpack straps, and untied shoelaces

- Wear sneakers as sandals and flip-flops make it difficult to grip the pedals

- Use reflectors and/or blinking lights on the front and rear of your bicycle

- Indicate to others where you are going with directional arm signals
